# BExH120 'Hootronic' Explosion Proof Alarm Horn

The flameproof BExH120 Hootronic Siren is suitable for Zone 1, 2, 21 & 22 applications. Approved to IECEx, ATEX, Ex EAC and INMETRO standards. The BExH120 authentically reproduces the traditional sounds of electromechanical devices whilst providing a significantly higher level of performance and reliability.

The E2S Hootronic series of products faithfully reproduce the sounds made by legacy electromechanical signalling devices but in a modern, reliable and cost effective way. With output levels of up to 117.5dB(A) at 1 metre the BExH120 surpasses legacy electro-mechanical devices in performance and effectiveness, it is also continuously rated, requires zero maintenance and the signal quality will not degrade with age.
